

CBAC Services Ltd

Environmental Policy

CBAC Services Ltd is committed to conducting its business in a manner that protects the environment, prevents pollution, and promotes sustainable working practices.

We recognise that our building services activities, including the installation, commissioning, maintenance and servicing of building systems, can have an impact on the environment.

As a responsible business, we are committed to complying with all applicable environmental legislation, regulations and relevant industry best practice.

We aim to continually improve our environmental performance by integrating environmental considerations into our day-to-day operations.

Our Commitments

CBAC Services Ltd will, so far as is reasonably practicable:

- Comply with all relevant environmental legislation and statutory requirements.
- Prevent pollution arising from our activities wherever possible.
- Minimise waste by reducing, reusing and recycling materials where practicable.
- Use energy, water and raw materials efficiently to conserve natural resources.
- Dispose of waste responsibly using authorised waste carriers and licensed disposal facilities.
- Reduce unnecessary travel where possible and encourage efficient vehicle use to minimise emissions.
- Consider the environmental impact of the materials and products we purchase where practical.
- Protect the local environment by minimising noise, dust, emissions and other potential nuisances while working on client premises.

To Achieve These Commitments We Will

- Maintain environmental procedures that are proportionate to the size and nature of our business.
- Ensure employees understand their environmental responsibilities and receive appropriate information and training.
- Monitor our environmental performance and identify opportunities for continual improvement.
- Encourage employees and subcontractors to adopt environmentally responsible working practices.
- Review this policy annually to ensure it remains appropriate, effective and compliant with current legislation and our business activities.

This policy applies to all employees, subcontractors and others working on behalf of CBAC Services Ltd.

The Director has overall responsibility for implementing this policy and ensuring environmental considerations are integrated into our everyday operations.
